

Science

I know the difference between wood, plastic, glass, metal, water and rock.

Building a house for Beegu	
Draw the house for Beegu	What materials have you chosen for the construction of the house?

Building a house for Beegu

Why have you chosen the materials?

Materials chosen	Reasons for choosing the material

Building a house for Beegu

Can you take a picture of your house for Beegu?

My House for Beegu

This is what I like about the house

What I would change if I did it again
