

IT'S RAINING,
IT'S POURING

Farmer Rose collects the rain to water the flowers and feed the animals.

Place these in order from **least** to **greatest** capacity.

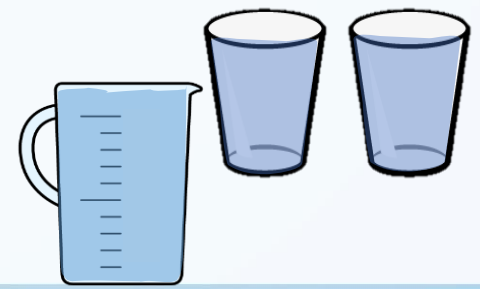

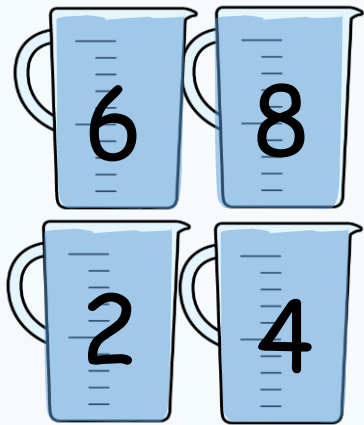

It takes 2  to fill 

It takes 5  to fill 

How many  are needed to fill  10

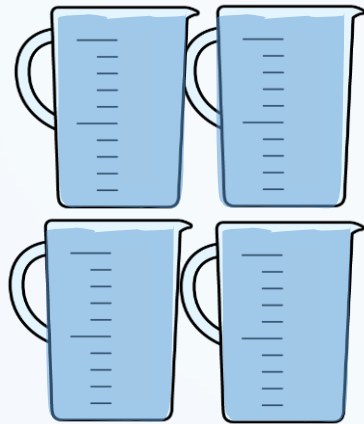

It takes 5  to fill 

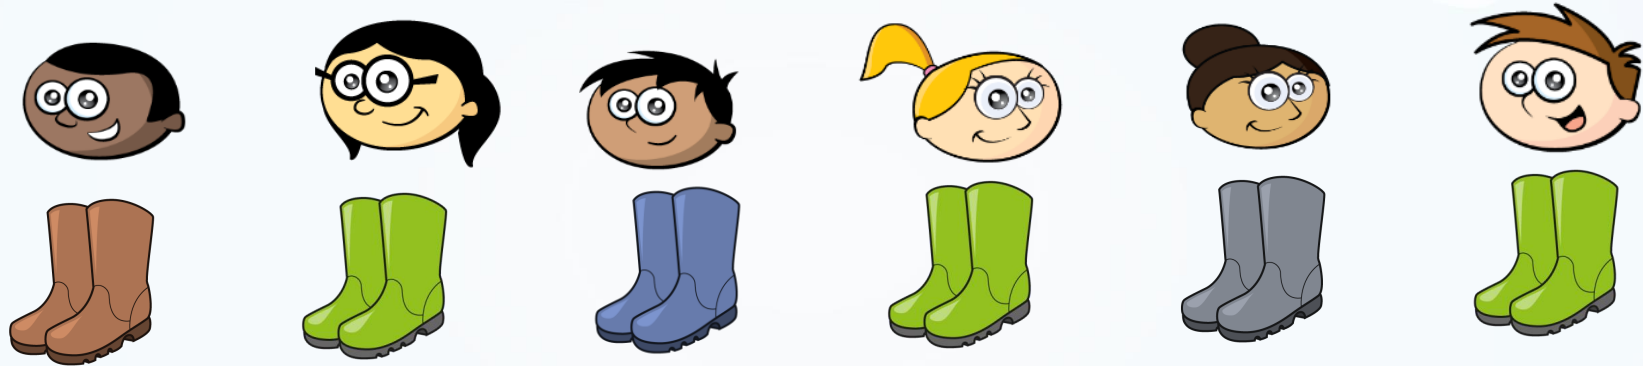

It takes 2  to fill 

How many  are needed to fill  10

How many children are there? **6**

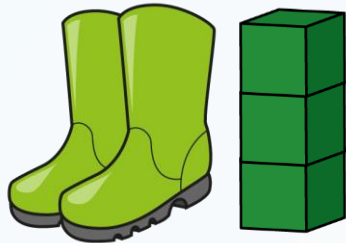

How many wellies are there? **12**

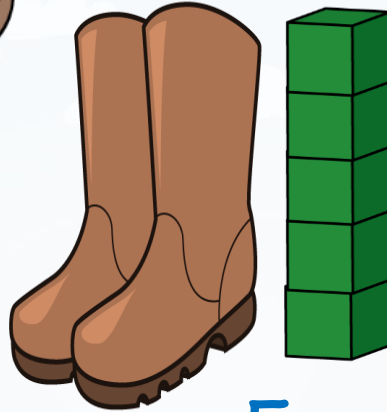

Everyone grab
your wellies!

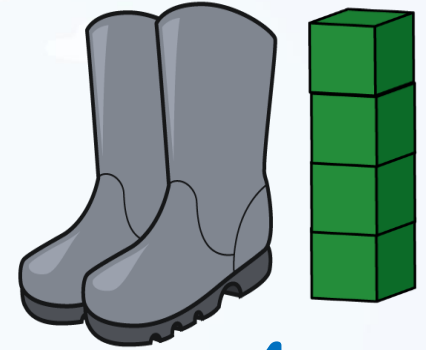

Let's measure!

3

5

4

How many blocks tall are they?

Who has the tallest?
