

LO: I can practice my spellings

Here are this week's spellings. Let's practice writing them by ourselves.

old	her	baby	do	does
all	call	ball	tall	small

Can you practice writing your spellings without looking?

Try this idea to help you:

Three Times

Write each of your spelling words 3 times.

1st time in pencil.

2nd time in **coloured pencil**.

3rd time in **felt tip**.

Write your spellings on a piece of paper or in a book. When you have finished writing them all three times, get someone to test you. How many can you write without looking?
