

Beegu has been learning how to write sentences. Can you be a good friend and check her work. Pretend you are the teacher and play 'tick or fix'. The answers are on the next page.

i found a box Inside the
box were six Puppies. they
were softandwarm. I curled up
next to Them. the man tuk me
out of the box So I had to
look for new friends. I Found
sum in a school. we played gud
games. The teacher took me
away. She did not like me. I
wont to gow home. i miss mi
family.

Here are the corrections. How many did you spot?

I found a box. Inside the box were six puppies. They were soft and warm. I curled up next to them. The man took me out of the box. So I had to look for new friends. I found some in a school. We played good games. The teacher took me away. She did not like me. I want to go home. I miss my family.
