

Here are this week's spellings. Let's practice writing them by ourselves.

what	to	he	me	we
she	be	no	go	so

Beegu says: "Can you practice writing your spellings without looking?"

Try this idea to help you:

### Three Times

Write each of your spelling words 3 times.

1<sup>st</sup> time in pencil.

2<sup>nd</sup> time in **coloured pencil**.

3<sup>rd</sup> time in **felt tip**.

Write your spellings on a piece of paper or in a book. When you have finished writing them all three times, get someone to test you. How many can you write without looking?
