

Penguin has been learning how to write sentences. Can you be a good friend and check his work. Pretend you are the teacher and play 'tick or fix'. The answers are on the next page.

i on the boy's door because I was lost I didn't have any friends and I felt lonely. The boy took me to 'Lost and Found' office But nobody was missing a penguin. He found out that I lived at the South Pole so hiy mended his bowt and rowed me There. He left me there andI was very lonely. but then he came back to find me

Here are the corrections. How many did you spot?

I knocked on the boy's door because I was lost. I didn't have any friends and I felt lonely. The boy took me to 'Lost and Found' office but nobody was missing a penguin. He found out that I lived at the South Pole so he mended his boat and rowed me there. He left me there and I was very lonely. But then he came back to find me.
