

LO: I can practice my spellings

Here are this week's spellings. Let's practice writing them by ourselves.

|      |     |     |      |      |
|------|-----|-----|------|------|
| I    | the | you | said | was  |
| your | are | of  | want | they |

Penguin says: "Can you practice writing your spellings without looking?"

Try this idea to help you:

### Three Times

Write each of your spelling words 3 times.

1<sup>st</sup> time in pencil.

2<sup>nd</sup> time in **coloured pencil**.

3<sup>rd</sup> time in **felt tip**.

Write your spellings on a piece of paper or in a book. When you have finished writing them all three times, get someone to test you. How many can you write without looking?
