Username: Class2

Password: frog6787

- Use the log in for your class and choose the theme Jungle - there are lots of activities you can pick from to do over the course of this half term.
- Have fun moving like different animals and practising your balancing!
- We would love to see you doing your PE.

## Music

- Join in with Cosmic Kids Yoga Billy Goats Gruff - [https://www.youtube-nocookie.com/embed/ifPWCZ1Mhto?autoplay=1&iv\\_load\\_policy=3&loop=1&modestbranding=1&playlist=ifPWCZ1Mhto](https://www.youtube-nocookie.com/embed/ifPWCZ1Mhto?autoplay=1&iv_load_policy=3&loop=1&modestbranding=1&playlist=ifPWCZ1Mhto)
- Sing with CBeebies - Old MacDonald had a Farm  
<https://www.bbc.co.uk/iplayer/episode/p06r1zhi/sing-with-cbeebies-series-1-4-old-macdonald-had-a-farm>

## Activities

- Watch Mrs Bairstow share the story of Joseph tell your grown up what happened in the story.
- Can you make a multicoloured coat like Josephs?

Color in the picture according to the key.

- 1- Yellow
- 2- Red
- 3- Orange
- 4- Green
- 5- Pink
- 6- Purple
- 7- Blue
- 8- Gray
- 9- Brown

# Ice Decorations

These ice decorations are super easy to make and look great. We used a cake mould to get a fun star shape and added some LEGO pieces to make it more colourful. Water can be a solid, liquid or gas. In liquid form the water particles can move around freely, so the water takes the shape of the container it is in. When you cool water down the movement of the particles slow down and the particles become tightly packed together, which means its shape cannot change easily.

## Materials!

Decorations  
Freezer  
String  
Mould  
Water

## Method!

- carefully pour cold water into your mould.
- Add your decorations.
- Tie the string at one end and place into the water.
- Put the mould in a freezer until frozen.

## Discuss!

Why do think ice is sticky?

## Extension Tasks...

- Try leaving a water filled mould outside on a cold day to see if it freezes.
- Try leaving frozen decorations in different locations to see which melt first.

- Watch Mr Tumble, Something Special - Music, and learn some new Makaton signs. <https://www.bbc.co.uk/iplayer/episode/b03xpgkb/something-special-were-all-friends-series-9-18-music>

- There are more stories for you to listen to on CBeebies and Class Dojo's.

*If you want more activities to do at home look further down the Home Learning page of the website to see ideas from last lockdown. There are also lots of programs on CBBC/CBeebies you can use to support learning at home.*

Please remember that children learn lots through play, especially if you can play alongside and/or with them. They will love you reading to them, playing games with them and exploring the outdoors with them.

Reception aged children learn best when they only have to focus for a short period of time e.g. between 5-15 minutes. It is OK for them to have regular play breaks. It is better to stop an activity if it isn't going well and go back to it later rather than battling on and getting stressed.

We appreciate all you are doing at home, remember to get in touch on Class Dojo if you have any questions and to show the good work your child is doing at home.

**Mrs Bairstow, Mrs Jaconelli & Mrs Dixon**
