

Hello!

We have made some changes to the home learning during this lockdown. We are still using the Read Write Inc materials but have added some new activities and tailored the work given to match the groups we work with when everyone is in school. We will let you know which group your child is in on a Class Dojo message.

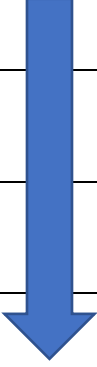

We will always start our Read Write Inc session learning a new sound or practising one we have looked at before, followed by practising reading words containing the sounds we know. Some of us are also ready to practise spelling some of the words we can read. The aim of the sessions is to be able to recognise letters and read words quickly, so we will revisit letters and words to get super confident.

Our story this half term is: **The Three Billy Goats Gruff.**

Activities:

This week we are practising retelling the story of the Billy Goats Gruff, then using the story as a framework to create a new story. Remember to use the story language to join the parts of the story together e.g. once upon a time, early one morning, finally. Have fun changing the characters and settings.

- 1. Practise retelling the story until you are really good at it.
- 2. Watch Mrs Dixon changing and retelling the story using our story map.
- 3. Can you make a new story and draw a story map to show us?
- Can you think of another way the Billy Goats could get over the river?
 - Can you make a raft or boat with things you can find at home?
 - Does your model float or sink? Can it carry a small toy?

See the photos for some ideas of ways to make rafts and boats

- Practise writing letters using the letter formation rhymes.

Tips and resources to support learning at home

The aim of reading these books is that children are able to read the words without sounding out every word, so lots of practise is key. It is OK to go back and re-read book from an earlier phase e.g. Orange group can read the Ditty Sheets as this builds children's confidence in reading.
