

Hiya Everybody,

I hope everyone is fit and well. There`s no story for you this week. School holidays start at the end of this week, so instead I`ve found some activities online you and your grown ups could try until you come back in September.

You are welcome to try any previous week`s activities from the Nursery section of our Barrowcliff website that you might not have had chance to do. You can also choose from any of the activities listed, just follow the links to other websites, there`s lots to look through.

These are some extra ideas to see you through the summer

Don't forget to keep practising writing your full name and any letter sounds from `Read Write Inc` you can remember. Keep practising recognising, writing, and using numbers. Share lots of stories and books, and enjoy playing games together.

Keep checking the school website for updates on returning to school in September, and dates and arrangements of how things will look when we start back.

Mrs Binder, Miss Ward and myself wanted to take the opportunity to say we have loved working with all children and families during your time in Nursery. The children have all developed so well and learned so much, it has been a real shame our time in Nursery was cut short. We`ve missed you all so much! It will be great to see you back in school from September whether that be returning to us in Nursery, or onto a new chapter in Reception.

Take the best of care everyone, look after one another and have a lovely summer break.

With lots of love,

Mrs Boyes x
