

Monday

Lesson 1

Can you solve these challenge questions below?

- ❖ Remember to underline the important information and solve each problem one step at a time!

Write the missing number in each calculation.

$$25 \div \boxed{\phantom{000}} = 3 \text{ remainder } 4$$

$$35 \div \boxed{\phantom{000}} = 4 \text{ remainder } 3$$

Write in the missing number.

$$\boxed{\phantom{000}} \div 4 = 23$$

What is the remainder when you divide **53** by **8**?

Circle the **two** divisions which have an answer of **5 remainder 2**

$$17 \div 5$$

$$17 \div 3$$

$$22 \div 4$$

$$22 \div 5$$

Write in the missing number.

$$160 \div \boxed{\phantom{000}} = 8$$
