

Science - Lesson 1

L.O: I can identify whether an object is a solid, liquid or gas.

Carefully cut out the cards on the other pages and sort them into the correct categories.

Solid

A large, empty rectangular box with a black border, intended for sorting cards that are solids.

Liquid

A large, empty rectangular box with a black border, intended for sorting cards that are liquids.

Gas

A large, empty rectangular box with a black border, intended for sorting cards that are gases.

Science - Lesson 1
