

Can you use these password dos and don'ts to make a poster about strong passwords?

Directions

Read the tips below on how to make and use strong passwords.

DOs

- **DO** share your password only with your parents.
- **DO** create passwords with at least eight characters.
- **DO** use combinations of letters, numbers, and symbols.
- **DO** change your password regularly – at least every six months.

DON'Ts

- **DON'T** give a password to anyone else – not even your friends.
- **DON'T** use passwords that are easy for people you know to guess, like your nickname or your pet's name.
- **DON'T** use any private information in your password.
- **DON'T** use a word in the dictionary as a password.
