

L.O: I understand what influences me to make assumptions based on how people look.

1. Write down the things that you think about the dog based on what it looks like.

.....

Now ask someone else in your house what three things they think.

Are your assumptions any different?

2. In box one, write and draw your favourite celebrity. In box 2 write down how you feel about this person. In box 3 think how you have come to this decision, what has influenced your opinion on this person? (eg: social media).
