

## Y3 C6 MATHS for Week Beginning 5/10/20

Remember to look on <https://www.classdojo.com/> each week too, as messages and home learning activities are also added on to the Class Story on Class Dojos. If you cannot download the app and log on please contact school.

### Maths Warm Ups

<https://corbettmathsprimary.com/5-a-day/>

Daily Maths Warm Up. Complete a 5-a-Day Challenge each day. You should aim to work on a 'bronze challenge'. If you find this a bit easy, try a 'silver challenge'. When you have finished, click on the answer section on the right-hand side of the page and mark your own work. How did you get on?

### Maths Daily Lessons

The accompanying video tutorials can be found here: <https://whiterosemaths.com/homelearning/year-3/week-4/>

White Rose Daily Maths Tasks. Complete the lessons in sequence.

Go on to the website <https://whiterosemaths.com/homelearning/year-3/week-4/>

and watch the Y3 maths videos. The worksheets and answer sheets to accompany the videos are on the school website.

You can watch the videos as many times as you need to and you can do as much working out as you need to. If you can't print out the questions draw anything that will help you. If you get stuck on a question, move on and come back to it. When you have finished mark your work. How did you get on?
