1. Make a list of as many animals that you can recall.

3. Go through the powerpoint. On the first page, in the top left-hand corner you will see a speaker to click on for the French pronunciation. For the remaining pages, click on the picture for the pronunciation (you can keep clicking on it to repeat the pronunciation), then click outside the animal to see the spelling and a final click outside to move on to the next slide. Look at and learn all the animals names in French.
4. Go through the slides again and use the vocabulary to ask what the animal is (**Qu'est-ce c'est?**) and then say it is (**C'est... and name the animal in French**).
