

Lesson 1

1

Week 4

Create nouns using the suffix -ity.

community	sensitivity
curiosity	possibility
ability	flexibility
captivity	visibility
activity	eternity

What are the
adjective root words?

communal - community

curious - curiosity

able - ability

captive - captivity

active - activity

sensitive - sensitivity

possible - possibility

flexible - flexibility

visible - visibility

eternal - eternity

What are the
adjective root words?

Sort the words into the correct place in the table:

community curiosity ability captivity activity
 sensitivity possibility flexibility visibility eternity

Drop the 'e' or 'al' at end of root word before adding <u>-ity</u>	Drop the 'le' at the end of the root word before adding <u>-ility</u>

Can you spot the word that doesn't fit in this table?

For interactive activity use slide 3 of ppt
