

Do you know of any challenges or ideas that can result in helping others?

What could we do to help people in these circumstances from last week's lesson?

- To work with other people to help make the world a better place.
- To describe some ways in which I can work with other people.
- To help make the world a better place.
- To empathise with people who are suffering or who are living in difficult situations.

Have you ever fundraised for something?

Have you ever supported a charity?

What do you think it would feel like to take part in a fundraising challenge?

If you were to support and hold an event for something/someone, who would it be?

Your task is to create a sponsorship event

You need to:

- Decide the organisation that you are supporting (e.g. a charity).
- Create an event to complete or product to sell.
- Decide how it is going to run and what you want to achieve.

Complete the worksheet that goes with this lesson and then create a powerpoint/poster/invitation to advertise your sponsored event.
