

# Habitats- Year 2, Spring 2

**The Big Idea - Why would a dinosaur not make a good pet?**

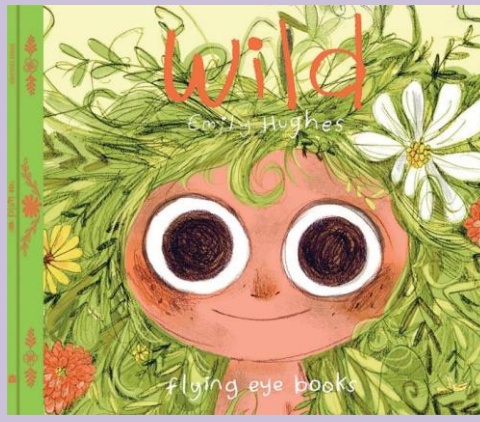

## In English we will be:

- Practising our phonics and reading daily in Read Write Inc.
- Making predictions based on what has been read so far.
- Exploring a character's feelings and behaviours based on what has been read.
- Sequencing the events of 'Wild'.
- Using hot seating to ask 'Wild' questions.
- Creating our own story books with writing and illustrations.
- Writing an argument discussing the reasons for and against zoo's being banned.

## In Grammar we will be learning about:

- Suffixes
- Nouns
- Pronouns
- Prepositions
- Co-ordinating conjunctions (and, but, or, so)
- Subordinating conjunctions (when, if, that, because)

## **Year 2 Class Text:**

## In Mathematics we will be:

- Learning to read and interpret pictograms.
- Creating our own pictograms.
- Solving word problems.
- Identifying coins and notes and writing their names.
- Creating equal amounts of money using different coins.
- Adding money together to find the total amount.
- Calculating the change from £100 or less.
- Using bar models to solve word problems relating to money.

## In Science/Topic we will be:

- Identifying and classifying animals that lay eggs.
- Creating fact files about animals that lay eggs.
- Discussing how we know dinosaurs roamed the earth and what they needed to survive.
- Identifying animals that live in woodlands and forests in the UK and the rest of the world.
- Identifying animals that live in the sea, lakes, rivers and ponds.
- Explaining how animals have adapted to their habitat.
- Discussing why humans live in houses.
- Comparing houses in the UK to the rest of the world.

## Across the Curriculum

- **In RE we will be** learning about different Christian celebrations.
- **In Music we will be** singing and playing instruments to 'Zoo Time'.
- **In Art & DT we will be** using a range of Art techniques to sketch fossils.
- **In ICT we will be** creating our own stories and animating them.
- **In PSHE we will be** learning what we can do to stay healthy.
- **In PE we will be** learning different ways we can move and how we can link different moves together.
