If you have any questions please send me a message on the class dojo app.

### Monday:

RWI- Watch the speed sound/spellings videos using the link below, then practice reading your reading book.

Maths- Compare Money

PSHE- Celebrating difference.

Think of what makes you special and unique. This is what makes you different from other people.

Create a poster to show how you are unique and different. You could draw a picture of yourself and write all the things that make you different around it.

Remember, it's good to be different, that's what makes us special!

### Tuesday:

RWI- Watch the speed sound/spellings videos using the link below, then practice reading your reading book.

Maths- Find the total

Science- Materials.

This week we are going to be designing our own 'mini-playground' using a variety of materials. Today you are going to plan and draw your design so that we can use our plans to create our models next week. Use the worksheet 'Science- Playground Design' to draw your design. Use the examples below to help get you started.

### Wednesday:
