## Spring Term 2

Dear Parents/Carers,

As we're in the last week of the spring term, there are a few messages to communicate with you ahead of the Easter break. It's been another busy term in school and it's been fantastic to see so many of you in the building at Parent's Evenings and at our Easter competition and raffle yesterday. We hope you all have a good break and look forward to seeing the children back for the start of the summer term on **Tuesday 22<sup>nd</sup> April at 8.40am.**

### **Easter Egg Competition Success!**

This week, school has been filled with creativity as children took part in our Easter competition, designing and colouring fantastic Easter egg models and pictures. The effort and imagination on display were impressive! Winners were announced in today's assembly, with prizes awarded to those who had put in lots of their own hard work and creativity. It was wonderful to see so many parents and carers visit to admire the children's work, and we're delighted that our Easter raffle helped raise funds for the school. A huge thank you to everyone who took part and supported the event!

### **Have Your Say on Our School Meals!**

We want to hear from you! In the coming days, **we'll be sending out a short survey by text message** for parents/carers and children to complete together. This is your chance to share your thoughts on our current school meal options—what you love, what you're not so keen on, and what you'd like to see on the menu. Your feedback will **help us shape an exciting new revamped menu** in the coming weeks, ensuring our meals are both nutritious and enjoyable for all our pupils. Keep an eye out for the survey link and let us know your thoughts!

### **Attendance**

Thank you to everyone who has made a great effort to improve their attendance this term. Being in school every day is so important, except when we're genuinely unwell. Let's keep up the great work and start next term just as strong!

### **Swimming**

Next half term **Class 7** will continue swimming at Everyone Active **every Tuesday. The first session will be on Tuesday 22<sup>nd</sup> April (the first day back).**

### **Year 6 Bikeability**
